Your health, JAPAN way

Your health, JAPAN way

BRAND NIZEN

Nizen is the in-house brand of **Nizona Corporation, Japan** – a company which specializes in ‘Made in Japan’ OEM (private label) manufacturing of healthcare and cosmetics products

- Through Nizen - we bring finest range of made in Japan products.
- Our MOQs are low as compared to OEM products
- Nizen products are in English language and we can easily customize the packaging in any other language too.
- We can easily introduce new products under brand Nizen because of our OEM expertise and great support of our associate Japanese makers.

Roles of Master Distributor and Nizen (Nizona Corporation):

Areas	Master Distributor (MD) Roles	Nizen Japan Roles <i>(Nizen is a house-brand of Nizona Japan and Nizen is not a separate company)</i>
Importation and Sales	Regulatory matters for imports. Manage complete business cycles in B2C and B2B in the given country	Will support in documentation, product content, label design as per domestic language of the country
Brand Registration	Support in local legal compliances / brand registration	Brand registration will be done by Nizona Corporation. 'Nizen' brand will be licensed to the 'Master distributor'
E-commerce Website with payment gateway	Jointly work with Nizen IT team for formatting website as per individual country requirement	Set up Nizen e-commerce website in the given country. Also, update and maintain the website in future.
Digital marketing	SEO marketing and online sales on various online portals	Provide necessary product details, images, videos, blogs, etc.
Physical retail (modern retail)	Distribution in stores and super markets	Support in taking part in exhibitions, setup kiosks (costs can be shared on a case-to-case basis)
Logistics	All local shipments and dispatches i.e. B2B and/or B2C will be handled by MD in the given country.	Nizen (parent company in Japan) will dispatch goods to its Master Distributor (MD) and do business in the particular country via MD only. Nizen Japan will not do drop shipping nor any online retail in any country directly.
